

# The Trinity Times

March 27, 2017

*Dear Trinity Families,*

*Spring is here! Thank you to everyone who has contributed to making this year and all of our programs and fundraisers a success. Our PTFA continues to find great ideas to support our students and our school programs. Recently the association purchased horseshoe shaped tables for each of our elementary classrooms to enhance small group instruction and collaborative learning. Each group has a valuable role in our students' education. We truly appreciate all those who offer their time and energy in making Trinity a successful spiritual and educational institution.*
