

The Trinity Times

May 14, 2018

Dear Trinity Family,

Finally, the weather seems to match the calendar—warmth and sunshine. Physical Education classes, recess and academic projects are enhanced by the advantages of fresh air. The month of May is a busy time in the school year. There is an urgency to academic achievement. Important assessments will soon be underway. Final units of study in all academic areas are beginning as students and teachers prepare for the end of the school year.

This year's Spring Concert and Fine Arts Festival were truly a big hit with church members, parents, and students. Not only are we proud of our students' accomplishments, but they should be proud of themselves. Many thanks to Mr. Stainkamp and Mrs. Kerwin for all they do.

At this time of year, it is extremely important for students to keep in mind that academics must come first! That means budgeting time and setting priorities. Scheduling time to study, to complete homework, and to stay current with long-term assignments will pay great dividends in the third trimester. Final exams are just around the corner, as are award assemblies, the 8th Grade Dance, Baccalaureate, and graduation. We ask God to watch over us as He always does and provide us with a smooth end to the school year.

God's Blessings,

Ms. Tammy Mazza

Principal
