Career Day 2019 at Trinity!

We are looking for volunteers from a variety of Career Fields!

What's Happening?

Students in grades 2-8 interview volunteers about their careers: what duties and skills, and educational background someone in this field might have. We would love a variety of careers so students have access to careers that interest them!

When is it?

Tuesday, April 9th from 9:00am-11:15am. If your time is limited, Middle School sessions are 9:00am-10:15am, and Elementary sessions are 10:30am-11:15am.

Interested?

Contact Mrs. Sandy Saitta (ssaitta@trinityli.org) or Mrs. Naomi Budenholzer (nbudenholzer@trinityli.org) for more information, or return the bottom of this page to sign up! **To help us plan properly, please respond by Friday, March 29th.**

I am able to come on **Tuesday, April 9th** and discuss my career with the students.

Mission Statement

Trinity Lutheran School – where Christian values and academic excellence prepare children, motivated by their faith and love of Christ, to live productive lives in service to others.

- **Re-Registration** - Please submit your re-registration forms to the Admissions office as soon as possible. We rely on the re-registration for budgetary purposes and textbooks.
- **Transportation and Textbooks** – Forms are due to your school district by April 1. This is the deadline that the districts have set in order for them to provide transportation and textbooks for your child for the 2019-2020 school year. You must be registered at Trinity before submitting your application for transportation. Attention Westbury Parents, Mrs. DeGennaro must sign your transportation form prior to submission to the Westbury School District.
- **Yearbook** – Boosters and Ad forms will be going home this week. All grades can submit boosters and ads for your children. Don't miss out on submitting an ad or booster for your child to read in their yearbook. Parents of 8th graders, this is a great opportunity to submit an ad for your 8th grader to have as a keepsake.
- A second letter went home last week regarding another exciting art contest: the 2019 AAA Traffic Safety Poster Contest. In past years students from our school achieved first place two times as well as second and third places! All students' posters and entry forms for this second contest must be submitted to Mrs. Kerwin by **Tues., April 2, 2019**. Both art contests are wonderful opportunities that challenge our students' creativity and strengthen their artistic skills. Students can also receive Extra Credit points towards their semester averages. Please read over the informative letters and email Mrs. Kerwin should you have any questions. Good Luck to all participants!
