

Third Grade Summer Reading

I love to read, and I hope you do, too! This summer all incoming third grade students need to read at least 4 books. Two of the books must be chapter books. Students can choose whatever books they like.

1. Students need to complete the Reading Log indicating all the books read over the summer. Hopefully, there will be more than 4!
2. For the two chapter books, students must complete the Problem/Solution graphic organizer for each book.

I have included a list of recommended book series and authors. These books are just suggestions.

The Reading Log and Problem/Solution graphic organizers are due on the first Monday of the school year.

Should you have any questions or concerns, please email me at nperovich@TrinityLI.org.

Have a wonderful summer!
